Description of what we did:

Newark Glove & Safety Equipment Co., Inc. rented 2<sup>nd</sup> floor space of building at 333 Hamilton Blvd., Plainfield, NJ, we had a store which supplied safety equipment for the working person – gloves, hard hats, respirators, safety shoes, glasses, signs, etc., industrial customers either came and picked up material or we shipped it to them via UPS. At no time did we ever handle any chemicals or hazardous waste. We only distributed safety equipment to industry.

Sincerely,

A handwritten signature in cursive script, appearing to read "Roger Yaney".

Roger Yaney  
Vice-President

CERTIFICATION OF ANSWERS TO REQUEST FOR INFORMATION

State of New Jersey

County of Essex

I certify under penalty of law that I have personally examined and am familiar with the Information submitted in this document (response to EPA Request for Information) and all documents submitted herewith, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate, and complete, and that all documents submitted herewith are complete and authentic unless otherwise indicated. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment.

Request For Information

1.
  - a. State the legal name and mailing address of the Company.
  - b. State the name(s) and address(es) of the current (or most recent) President, Chairman of the Board and Chief Executive Officer (or other presiding officer) of the Company.
  - c. State the legal form of business of the Company (e.g., corporation, partnership, etc.). If the Company is a corporation, identify the state and date of incorporation and the agent for service of process in the state of incorporation and in New Jersey.
  - d. If the Company is a subsidiary or affiliate of another corporation, or has subsidiaries, identify each such entity and its relationship to the Company, and state the name(s) and address(es) of each such entity's President, Chairman of the Board and Chief Executive Officer. Identify the state and date of incorporation and the agent for service of process in the state of incorporation and in New Jersey for each entity identified in the response to this question.
2. If you are identifying a business entity that no longer exists, provide all the information called for in Question 1, except for the agent for service of process. If a business entity conducted business under more than one name, provide each name.
3. If the Company, or any of the business entities identified in Question 1 above, has or had an EPA Identification Number, provide all such numbers and the name of the entity with which they are associated.
4. If the Company has at any time leased, maintained, occupied or used any real property at the Site, provide all documentation evidencing such relationship, including deeds, leases, or other such documents that relate to the Site or any portion thereof. Include the numbers and locations of building(s) or areas leased, maintained, occupied or used and the dates of occupation or use by the Company.
5. If the Company had a permit or permits issued pursuant to RCRA during the time it leased, maintained, occupied or

used any building or area of the Site, describe when the permit was obtained and what activities were allowed by the permit, and provide a copy of the permit application and the permit.

6. Describe the operations or activities at each building or area of the Site of each business entity identified in Question 1 above. Your description should include, but not be limited to, all manufacturing, research and development, processing and/or handling activities. For each type of operation described in the answer to this Question, provide the name(s), and job description(s) of the person or persons responsible for the management of that particular operation or activity. If such person(s) are no longer employed by the Company, provide their last known address(es).
7. Provide a detailed list of chemicals, including hazardous substances, hazardous wastes and industrial waste materials used, stored, generated or handled by the Company at the Site, and describe the use of each of the chemicals identified. Estimate quantities used on an annual basis and provide the sources of these chemicals at that time. Attach any documents used to prepare the list.
8. Provide the analytical results of any analysis the Company performed, or caused to be performed, of hazardous substances, hazardous wastes or industrial waste materials identified in response to Question 7, or any hazardous substances, hazardous wastes and industrial waste materials used, stored, generated or handled at the Site by any person(s) other than the Company.
9. Describe all storage and disposal practices employed by the Company with respect to all hazardous substances, hazardous wastes and/or industrial waste material handled at the Site in any way during the time the Company leased, maintained, occupied or used any real property at the Site. Include all on-site and off-site storage and disposal activities.
10. Provide a copy of each document that relates to the generation, purchase, use, handling, hauling, and/or disposal of all hazardous substances, hazardous wastes and/or industrial waste material identified in response to Questions 6, 7, 8 and 9 above. If you are unable to provide a copy of any document, then identify the document by describing the nature of the document (e.g., letter, file, memo, invoice, inventory form, billing record,

hazardous waste manifest, etc.), describe the relevant information contained therein, identify by name and job title the person who prepared the document, and explain where the document is stored and why it is not available.

11. Identify each person having knowledge of the facts relating to the generation, storage, treatment or disposal of hazardous substances, hazardous wastes or industrial waste materials identified in response to Questions 6, 7, 8 and 9 above. For each person identified, provide the name, address and telephone number of that person and the basis of your belief that he or she has such knowledge.
12. Provide a copy of any contract, permit or other written agreement entered into by the Company relating to the generation, handling, transport and/or disposal of all hazardous substances, hazardous wastes and/or industrial waste material at the Site. If the documents are not available, refer to Question 10 above, for the specific information required.
13. Did any leaks and/or spills of any hazardous substances, hazardous wastes and/or industrial waste material occur at the Site? If so, provide the date(s), response action(s) taken and the ultimate disposal of the hazardous substance, hazardous waste and/or industrial waste material resulting from those leaks and/or spills.
14. Describe any activities by the Company that resulted in the excavation, disturbance or redistribution of soils at the Site.
15. Indicate whether the Company used lagoons, impoundments and/or storage tanks to store, treat and/or dispose of hazardous materials, hazardous waste or industrial waste materials. If so, provide the following information:
  - a. The installation date of said unit(s);
  - b. The use of said unit(s);
  - c. Whether hazardous substances, hazardous wastes and/or industrial waste material were stored/disposed in said unit(s), and
  - d. The closure or other final disposition of said unit(s).
16. Describe activities and conditions at the Site during the time that the Company leased, maintained occupied or used a building or area of the Site, including in the building or area occupied by the Company and any other building or

area, and indicate what entity or entities undertook these activities. Provide any Site maps that are in the Company's possession, custody or control showing the location of these activities and any other documents describing the buildings or areas where these activities took place.

17. State whether any agreements or contracts (other than insurance policies) exist pursuant to which the Company or its past or present shareholders may be indemnified for any liability that the Company may be found to have under CERCLA for releases and threatened releases of hazardous substances at the Site. If such agreements or contracts exist, provide a copy of the agreements or contracts. If the documents are not available, refer to Question 10 above, for the specific information required.
18. State whether an insurance policy has ever been in effect pursuant to which the Company may be indemnified for any liability that the Company may be found to have under CERCLA for releases and threatened releases of hazardous substances at the Site. If any such policies exist, please provide a copy of the policy(ies). In response to this request, provide not only those insurance policies and agreements that currently are in effect, but also those that were in effect during the entire period of the Company's occupation of or operation at the Site. Identify any policy that you cannot locate or obtain by the name of the carrier, years in effect, nature and extent of coverage, and any other information you have.
19. State whether any of the business entities identified in Question 1 above have filed for bankruptcy and if so, provide the following information:
  - a. The date of such filing;
  - b. The statutory provision under which a petition for bankruptcy was filed (Chapter 7, 11 or 13);
  - c. The court where the petition was filed;
  - d. The name, address and telephone number of the bankruptcy trustee;
  - e. The disposition of the petition and the date on which it was so disposed; and

f. Any other information relevant to aforesaid bankruptcy.

20. Please supply any additional information or documents that may help EPA identify persons who may have been responsible for the release or disposal of hazardous substances, hazardous wastes and/or industrial waste material at the Site.
21. State the name(s), address(es), telephone number(s), title(s) and occupation(s) of the person(s) responding to this "Request for Information" or assisting in the preparation of the response, state whether such person(s) has personal knowledge of the information contained in the answers, and specify the question to which each person responded or provided assistance in responding to.
22. Identify all individuals (other than those identified in your response to Question 21) who may have information or documents relating to the subject of this Request for Information, and/or the generation, handling, storage, transportation or disposal of the hazardous substances, hazardous wastes or industrial waste materials that came to be located at the Site.
